Japanese Import Cars Performance Modifications High-Tech items & the latest gadgets DVD's, Computers & Video Games Social Events, clubs, parties Fashion, Alcohol and Entertainment Movies & Concerts Hardtuned Network is Australia's #1 Automotive Lifestyle & Performance Car Network.

Consisting of 11 separate brand-specific sites, its community based Web 2.0 structure means not only do we have thousands of registered members, we also have thousands of editors & contributors. The simple to use framework, and open-speech policy* encourages members to contribute and discuss. This has made Hardtuned.net the #1 network in Australia for automotive news including updates on current local and international events, racing & shows broadcast in real-time.

Recently we have expanded to include another 8 websites within our network, while strengthening partnerships with companies such as Motive DVD, Raceline, Castrol, Google, Yahoo!, Digital Niche, Ad Torque and Drift Australia.

The new network design allows us to cater to all Japanese performance car enthusiasts, with specific sites for each make and model, while allowing a centralised "Lifestyle" area to chat about latest Tech, Movies, Games, Fitness and Current Affairs.

Hardtuned Network is a free information resource where automotive enthusiasts can discuss and share information. This creates an environment for companies to get maximum exposure where consumer purchase decisions frequently occur.

between the use of targeted page placements and premium exposure in high-traffic

Banner Advertising

areas.

The predominant form of advertising throughout hardtuned.net, Banner advertising helps build loyalty through brand exposure with sales and traffic via click-throughs. We offer numerous forms of user targeting and depending on budget and requirements, campaigns can usually 'go live' within a 24 hour period.

Forum Sponsorship

The core form of advertising for smaller automotive parts retailers, the system offers sponsors the ability to sell their products and promote their business via the forums.

Forum Sponsorship is very 'hands on' yet extremely affordable, our extensive list of current businesses using the system proves it can yield excellent sales for companies willing to devote a member of their staff to update, maintain, and handle queries.

Brand Association

There are many different areas and features across the network which can be associated with a brand. As an example : "*Bridgestone Tyres Drift Chat, or Repco Technical Articles*". Securing an area of the site guarantees exclusivity within the area, with prominent branding featured on every page within that section.

Product Promotion & Competitions

Members love free products & the chance to win prizes. For businesses that are wanting to promote their products through giveaways and monthly competitions, our team can facilitate this on your behalf.

Features, Special Promotions, Email Marketing & Other Options...

Many types of advertising are available through the network, contact us now to discuss your ideas, and how we can help you gain maximum exposure and return on investment.

Monthly Banners marked in blue and Forum Sponsorship pricing is based on clients using our online automated payments system.
